STAMP MAKER

pomrie

My own custom stamp!

With pomrie, you can make your own
custom stamps using
photographs, illustrations, or text.
Since you decide the colour and size,
stamps are fun to make
and fun to use.
What kind of stamp
do you want to make today?

pomrie lets you give shape to your ideas.

What's pomrie?

It's easy to make your own custom stamps from illustrations, graphics, or text. Use a PC to create the stamp face design. Transfer the data to the pomrie and make a stamp sheet. Apply ink to the stamp face and begin stamping.

Make stamps in three easy steps!

You can view instructional videos on the Web!
http://www.casio-intl.com/asia-mea/en/cf/

1 Data input

Create a design by inserting an image or text.

*Installation of a dedicated application is required.

2 Processing

Make a stamp sheet.

3 Finishing

Attach the stamp sheet to a stamp base and apply with ink.

Ink is available in 8 colours.

Finished stamp!

Once you have applied the ink to the stamp sheet, you can make about 50 impressions.

*The number varies according to the stamp face design.
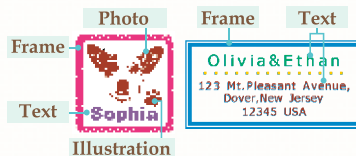

Stamps come in 7 sizes.

From photos or hand drawings

It's easy to make stamps from all sorts of images, such as hand-drawn illustrations or photos of friends, children, or pets.

The fun of choosing!

Choose from a large selection of illustrations and frames. Combine them to create your own fun designs.

*Fonts with fine lines 0.5 mm less in width and illustrations that have been reduced in size may not provide acceptable results.

Fun for lots of occasions!
